No-Russia/No-Belarus Clause under Regulation (EU) No 833/2014, Article 12(g) and Regulation (EU) No 765/2006, Article 8(g):
Based on the current sanctions regulations of the European Union, you are hereby expressly prohibited from directly or indirectly resupplying or re-exporting the goods delivered under Article 12(g) of the above-mentioned regulation to Russia or for use in Russia and under Article 8(g) of the above-mentioned regulation to Belarus or for use in Belarus - including indirectly via other countries, dealers or companies. In the event of infringement, we reserve the right to withdraw from the contract, to demand compensation for damages and, if necessary, to discontinue the business relationship.
Furthermore, we would like to point out that in the event of violations by you of the aforementioned prohibitions, we may be obliged in individual cases to report this to the competent national authorities in accordance with the sanctions regulations of the European Union.
